

◆ TAKING A TAXI

There are times when you will need to take a taxi. Because there are not very many taxis in Durham, you need to CALL by phone ahead of time for a taxi. The taxi fare is calculated by a meter, starting with an initial fee of \$3.60 and then \$2.00 per mile after that. Airport taxis/shuttles generally charge a set fare from Durham to the airport, ranging from \$25-\$45 one way. Whenever you use a taxi or shuttle, you tip the driver 10-15% of the cost of the fare. We also recommend taking a taxi with a friend so you can split the fare. Taxis below have been recommended by other Duke students/scholars. **If you are transporting furniture, do tell driver when you call, not after he arrives. NOTE:** RDU = Raleigh/Durham International Airport
